

MISSION STATEMENT

The Sparta Wrestling Club is organized exclusively for the purpose of developing wrestlers that are committed to and enjoy the sport of wrestling. This goal is achieved by promoting good sportsmanship; developing a positive attitude, solid work ethic, and improved physical fitness; and developing fundamentally sound wrestlers in Folkstyle, Freestyle, and Greco-Roman styles of wrestling. The Sparta Wrestling Club will aid the coaching staff through fundraising activities to provide appropriate equipment, facilities, and stimulate interest in the general welfare of those engaged in the wrestling programs throughout the Sparta community. The Sparta Wrestling Club is fortunate to have an enduring partner in the Sparta Park and Recreation Department. The Park and Recreation Department funds and supports the Sparta Youth Wrestling program. This partnership allows the Sparta Wrestling Club to focus its efforts on the middle school and high school level programs.

The club believes it is equally important to ensure that Sparta Wrestlers have the ability to attend camps and functions that allow them to improve individually and as a team. The club understands that not all are able to financially fund certain opportunities. The club has created an agreement for you trade off donated time for the financial payment for attendance of events. This can be accomplished by parents and/or athletes.

AGREEMENT

I _____, agree to donate my time in trade off of financial support for the below listed activity. In order to attend the event listed below all hours required below must be worked within a calendar year. If my hours are not met in full; the Club reserves the right relinquish the roster spot for the event and make me pay for the event in full.
